WHAT DOES YOUR SPONSORSHIP PROVIDE?

- Meaningful and creative experiences that impact 300 students who participate in the AVPA program each year.
- Access to professional teaching artists, as well as real-world experience with technology, equipment, and techniques.
- Essential materials, supplies, costumes, uniforms, fees, and transportation for students who otherwise can't afford it.
- Each year AVPA needs to raise over \$500 per student to meet our budget goals. We ask families of each student to donate \$200 per year. To fill the gap, we fundraise and ask our community to step up and make arts come alive!
